4. Use the “Return to member area” button at the top of the page to return to your resources.

Once you are logged in to your account you will see 3 tabs: Custom Toolkit, Social Media Kit and Resources.

Custom Toolkit:

Under this tab you will find all your customized materials including print ready pdf files when available.

The screenshot shows the 'Custom Toolkit' tab with three sub-sections:

- HOA Multi Fam (Landscape Company)**: Updated August 11, 2020. Includes 4 sheets and 2 brochures.
- Property Manager (Landscape Company)**: Updated August 25, 2020. Includes 1 overview brochure and 3 sheets.
- Hi-End Residential (Landscape Company)**: Updated August 11, 2020. Includes 1 sheet and 3 overview brochures.

Social Media Kit:

Under this tab you will find content you can use to share on your preferred social media accounts. Simply copy and paste the text. Download the image and upload to your account. Be sure to tag Weathermatic and use any of the following hashtags:

#SaveWaterGiveLife #Weathermatic #SmartLink #WaterConservation #WaterManagement #Irrigation #landscapemaintenance

Resources:

This tab will house templates for press releases, emails and an elevator pitch as well as graphics you are welcome to use in any other marketing you may do. It will include logos and images from customized literature.

The screenshot shows the 'Social Media Kit' tab with the following content:
