Conditions of Sale to Authorized Distributors

Price - All prices are in effect as of the published date hereon, but are subject to change without notice. Company shall provide advance notice of price changes whenever possible, otherwise accepted orders will be invoiced at prices in effect on date of receipt of order. Company assumes no liability for the reduction of prices insofar as the customer's inventory of affected parts or products is concerned.

Terms - Buyer shall pay seller interest on all past due invoice amounts at a rate equal to the lesser of 18% per annum or highest rate allowed by law. Minimum invoice amount will be \$100.00. Does not include parts or service. Terms applying to Export Sales will be quoted on request.

Carton-Quantity Orders - Orders must be placed in multiples of "shipping unit" quantities. Standard carton and bag quantities have been established as minimum order amounts on a number of items. See "shipping unit" column in this price list.

Shortages - Any claims for shortages must be made immediately upon receipt of merchandise. Shortage claims will be invalid unless entered in writing within 10 days of invoice date.

Freight - All shipments will be F.O.B. Company's plant at Garland, Texas, or F.O.B. other shipping points if supplied by other manufacturers. Customer will handle all claims for shortages or damages in transit with the carrier. If a claim for freight allowance is in order, said claim must be supported by a paid freight bill. The cost applying to export shipments will be quoted on request.

Transportation Claims - Upon receipt by the consignee, shipments must be inspected for shortages or damage before acceptance from carrier. In event of loss and/or damage, notation should be made on carrier receipt. Immediate claim should be entered against the carrier. In no case will Company be liable in any manner for shortages and/or damage caused to a shipment by the common carrier.

Defective Goods Returns - Defective goods may be returned only after receiving an authorization number from the Customer Care department. Defective returned goods will be repaired or replaced at Weathermatic's option.

Inventory Return Requests - Goods may be returned only after receiving an authorization number from the Customer Care department. To be considered for return, goods must have been purchased within one (1) year of request for return and be of current vintage, in case quantity and in new, resellable condition. A 20% restocking fee will apply to all inventory returns.

Cancellations - When placing special equipment orders or large quantity orders for future release, customer agrees to the following terms in case of cancellation of all or any portion of the order:

1. Customer will accept delivery of all goods when ready for shipment or for which Weathermatic is committed to accept raw materials.
2. In the event of special price quotations, customer agrees to accept a unit price adjustment on the uncanceled balance of the order if applicable.
3. When cancellation results in excess inventories of regular production items, customer will pay a cancellation charge or will accept that portion of the order required to alleviate the over-inventory situation as determined by Weathermatic.

Limited Warranty - For complete information on Weathermatic's warranty policy see the current Product Line Catalog.

**Conditions of sale and instructions for return of goods for
replacement or credit apply to authorized Weathermatic Distributors.
All returned goods must be given to an authorized distributor for return to the factory.**

The Irrigation Professional's Protection Package from Weathermatic:

No hassles. No questions. Over-the-counter exchange.

5 Years

Rotors, spray equipment, nozzles, Quick Coupling Valves, Silver Bullet HP Series Valves and S20P solenoids

2 Years

EZ Pro, SoloRain, Nitro Series Valves; SmartLine® and SmartLink products and all other catalogued products not specifically listed, or under the 5 or 10 year extended warranties. ProLine and SmartLine controllers, SLW weather stations and SmartLink products are covered under warranty for lightning damage.

All trade warranties are effective from the date code. The trade warranties extend only to the original professional installer of the Weathermatic products and do not extend to repairs, replacements or adjustments of Weathermatic products due to misuse, negligence, alteration, modification, tampering or improper installation and maintenance of the product and/or system. Contact your local Weathermatic authorized distributor for all warranty claims. Weathermatic's sole obligation is to repair or replace its products found to have defects in material or workmanship.

There are no other warranties, expressed or implied, including warranties of merchantability and fitness for a particular purpose. Weathermatic will not be liable to any party in strict liability, tort, contract or any other manner for damages caused or claimed to be caused as a result of any design or defect in Weathermatic's products, or any special incidental or consequential damages of any nature.

PRODUCT CHANGES

Weathermatic reserves the right to alter, modify or redesign its products, pricing and warranty at all times without creating any liability for the obsolescence of customer inventory of such parts or products.

ASAE CERTIFICATION STATEMENT

Weathermatic certifies that pressure, flow rate and radius data for these products were determined and listed in accordance with ASAE Standard S398.1, Procedure for Testing and Performance Reporting, and are representative of performance of production sprinklers at the time of publication. Actual product performance may differ from the published specifications due to normal manufacturing variations and sample selection.

GOVERNING LAW

The rights and obligations of the parties hereto, and any claims or disputes thereto, shall be governed by and construed in accordance with the laws of the State of Texas without reference to conflict of law principles.
